

# STEP OUT

## Bricklaying TASTER

### Real Skills for the Real World

Australian Brick & Blocklaying Training Foundation Limited (ABBTF) in conjunction with FCTA is offering a **'hands on' chance to experience the bricklaying trade** to interested students.

Currently there is a severe shortage of skilled and qualified bricklayers in the building industry, meaning there are career and income opportunities for young people interested in learning the trade.

**This course provides a pathway to an Apprenticeship in Bricklaying and a rewarding career in the building industry.**

Students will:

- Plan and organise their work
- Read and interpret plans
- Learn measurement and calculation
- Use hand and power tools
- Lay bricks and blocks
- Learn and comply with occupational health and safety requirements

The Step Out Program will run for 40 hours beginning the week commencing:

	<b>FCTA-Building Careers</b> <b>5/30 Jacobsen Crescent Holden Hill</b> <a href="http://www.fcta.com.au">www.fcta.com.au</a>	
<b>2 COURSES In 2010</b> (please circle)	<b>Course 1</b> August 16th to August 20 <sup>th</sup>	<b>Course 2</b> November 8 <sup>th</sup> to November 12th
DAYS	<b>5</b>	
TIMES	8am-3.30pm	
COST	\$110.00 per student	

**Preference will be given to students with a genuine interest in bricklaying and the potential to go on to an apprenticeship.**

The course provides 'hands on' experience only and does not provide credit towards a future bricklaying apprenticeship. *The cost of the course is subsidised by Australian Brick & Blocklaying Training Foundation Limited.*

**To participate complete the form and return to:**
